May 27, 2011

Dear FASTRAK Northeast Driver:

Congratulations! You are the recipient of the exciting Contingency Connection awards package, one of 50 that will be awarded and offer over \$50,000 in contingency awards to FASTRAK Northeast racers throughout the 2011 FASTRAK Northeast Touring season!

Each package contains \$1,500-\$2,000 in valuable contingency awards. We are very pleased to have been selected as one of only 60 tracks/series nationwide to be able to offer this great program to our racers! We have to thank Original Pizza Logs for sponsoring this great program!

Your package includes several Contingency Connection sponsor awards in the form of \$25 product certificates, of which many are directly applicable to FASTRAK Late Model racing and can be utilized by you and your race team. A complete list of the certificates that are enclosed in your package is attached and also available on the FASTRAK Northeast website.

Your certificates can be utilized towards your next purchase from the manufacturers through March 31, 2012. In many cases the purchase of the products you select will be at wholesale or discounted price PLUS the \$25 certificate and in almost all cases shipping is free. Contingency Connection sponsors want to earn your business, thus offering the best deals in the country to FASTRAK Northeast racers.

Decals are the key to the program for the sponsors. You are a valued customer to the sponsors, which is why they are posting the awards to you! Buy the product and run the decals of the sponsors that post awards for you and they will post awards for our series year after year. The FASTRAK Northeast office can provide you with any decal you may wish to display. Simply fill out the attached order form and return to a FASTRAK Northeast director.

Redemption directions are on each certificate. Any questions can be directed to the certificate sponsor or by contacting Northeast touring tech, Brad Hibbard at 330-540-7223.

Again, congratulations in receiving your Contingency Connection certificate package and thank you for your support of the FASTRAK Northeast Touring Series!

Sincerely,

Vicki Emig & Mike Leone/Directors  
FASTRAK Northeast
